Question & Answer: The Town residents present were asking for clarification that Broadway Street was not going to be “physically” narrowed. The Board explained that for some unknown reason & unknown to the Town that Broadway Street was an eighty foot right-of-way instead of the standard sixty-six foot right-of-way & that right-of-way was beginning to impede residents from doing maintenance to their property. This procedure is the only legal way of changing the right-of-way to the standard sixty-six feet.

Public Comment: No additional.

Motion to adjourn the Public Hearing was made by Supervisor Shaw at 5:50 p.m... Second to the motion was made by Supervisor Manske. Motion carried.

Respectfully Submitted,

Jeannette Zielinski, Municipal Clerk
